House Bill 4143 amends the Postsecondary Enrollment Options Act to clarify that an eligible student may not be enrolled in high school for more than 4 school years including the school year in which the student seeks to enroll in eligible postsecondary course under the act. A year in which a student who is enrolled in high school for less than 90 days of a school year due to illness or other circumstances beyond the control of the student or student's parent or guardian is not counted. House Bill 4144 makes the same amendments to the Career and Technical Education Act.
